Felicity Manor MATTERS

OPERATION WE**CARE**

On Wed. Oct. 26, volunteers from Fair View United Methodist Church and Felicity Manor gathered together to support Operation WeCare, an outreach to The Citadel of Mooresville. We were inspired by the story of Ruby, who granted 3 wishes to residents in a similar facility. From that simple act of kindness, a movement was born.

Earlier in October, residents had an opportunity to choose items from a list so we could be sure they received the items they needed and wanted. Some of the items included, soft drinks, toiletries, decorations and prayer shawls donated by Fair View UMC. Baby Dolls were a hot item and Little Debbie cakes were also one of the most requested items.

Over 95 gift bags were packaged thanks to a number of Fair View Volunteers, and at the facility, Felicity Manor volunteers delivered gift bags to each resident. Many of the residents expressed their appreciation, as well as the positive impact it made on the volunteers who participated. We are so thankful for your support to Felicity Manor, so we can be a blessing to not only widows, but others who are more isolated members of the community.

Felicity Manor *gives back*

On Sun. Sept. 25, Volunteer Care Teams enjoyed an afternoon of delivering the pumpkins to approximately 70 members of the Felicity Manor Gives Back community. Pumpkins are a very tangible example of Fall. We were especially appreciative of a Mooresville resident who donated approximately 90 locally grown and harvested pumpkins that enabled us to share with the Felicity Manor community.

The following Monday, approximately 18 members of the Williamson United Methodist Church Grief Share group also received a pumpkin to take home and enjoy. Giving a little something to be a blessing is what we love doing. How awesome is it to brighten someone's day? Thank you for continuing to support Felicity Manor!

As a way to be of encouragement to all widows/widowers, with special emphasis on older and more isolated individuals, Volunteers deliver holiday and birthday remembrances and reach out through various communication means to Mooresville area widowers registered in the Felicity Manor Gives Back Community.

VOLUNTEERS

WELCOME NEW VOLUNTEERS

We are pleased to welcome **Mrs. Nan Port** as a new volunteer team serving to make phone calls to our Felicity Manor Gives Back Community. We met Nan through the South Iredell Senior Center, where she volunteers, but her first love is writing. She lives in the Mooresville area, and is mother to 2 daughters. As a widow, she will be understanding and encouraging. Her calls will be a way for us to check-in to see how everyone is doing and to let them know they are remembered.

Our 2nd new volunteer is **Mrs. Patsy Zeggert**. She joins Felicity Manor as a greeting card coordinator sending greeting and birthday cards each month to recipients of the Council on Aging Meals on Wheels program here in Mooresville. Approximately 30 of our neighbors will receive a card each month in hopes that it will brighten their day. We are thrilled to have both women serving Felicity Manor!

VOLUNTEER SPOTLIGHT - ANDY & LISA ZEGGERT

Andy and Lisa Zeggert certainly understand the needs of the widowed, regularly taking care of both of their widowed mothers. They are co-founders and directors of Freedom Connections, an outreach ministry to the Appalachian Mountains and the local community based here in Mooresville. Lisa is Youth and Family Director at Concordia Lutheran Church in China Grove, while Andy wears many hats, overseeing their ministry, working as a tax professional and representing Santa Claus at the holidays. Lisa also serves on the Felicity Manor Board of Directors helping guide us as we grow. We are very appreciative of their service to Felicity Manor.
