

Mission Statement

As a way of encouragement to all widows/widowers, with special emphasis on older and more isolated individuals, Volunteer Care Team Members deliver holiday and birthday remembrances to Mooresville area widows/widowers registered in the Felicity Manor Gives Back Community. This community outreach is not based on any perceived need, nor do not have to be a potential resident of the Felicity Manor House to be a member of the Felicity Manor Gives Back Community!

Volunteer Care Team

As a member of the Volunteer Care Team, you will serve as the liaison between your small group of 3+ widows and Felicity Manor. As a regular voice and face to the widow, this builds relationship and a friendship between you and the widows you oversee.

As a Volunteer Care Team Member, you are needed to:

1. Deliver all Holiday Gift Bags scheduled 5 times/year.
 - Valentine's Day
 - Easter
 - Fall
 - Thanksgiving
 - Christmas
2. Deliver Birthday Card/Gift on Widow's Birthday
A nice addition to the card would be a balloon, small flower, individual cupcake, hand lotion etc. This is at your discretion. Feel free to also sing Happy Birthday to you...! 😊
3. Attend Summer Ice Cream Social held in July
4. Make occasional phone calls.
5. Pass on any updates you might hear through your relationship, such as sickness, other celebrations, or a death in the family, so that Felicity Manor can respond appropriately.

*All Holiday gifts and cards are provided by the Felicity Manor Gives Back Organization thanks to the generous donations of individuals. Reimbursement can be provided for purchased Birthday gifts. Please turn in receipts within 30 days.

A full-year commitment is asked to keep continuity, but if you are unable to serve the full-year, please let us know. We will also have individuals in place to serve if you are out of town or have a conflict.
